Task1:

The screenshot displays the Azure portal interface for a deployment named 'keyvaulttest7274'. At the top, a notification banner states 'Deployment succeeded' with a green checkmark, indicating that the deployment of 'keyvaulttest7274' to resource group 'key' was successful. Below this, a large green checkmark and the text 'Your deployment is complete' are prominently displayed. To the right of this message, deployment details are listed: 'Deployment name : keyvaulttest7274', 'Subscription : Azure for Students', 'Resource group : key', 'Start time :', and 'Correlation ID : 60af6cd9-98c3-4450-9822-cb8c3c335bba'. A 'Go to resource' button is located below these details. On the left side, a sidebar menu shows 'Overview' as the selected option, with other options like 'Inputs', 'Outputs', and 'Template' visible. At the bottom of the page, there is a 'Cost management' section with a green circular icon and a 'Give feedback' section with a speech bubble icon and the text 'Tell us about your experience with deployment'. An 'Activate Windows' watermark is also visible in the bottom right corner.
